2. General Information...

The JAN Design Build Workshop located at the San Destin Golf and Beach resort is still available for registration. The Pensacola Post is looking for some one to be a coordinator for this event in which they will get to attend free of charge. For information on the opportunity contact LTJG Dane Elles. Dane.elles@navy.mil

3. What has SAME Pensacola been up to?

A huge thanks goes out to all of the SAME members who gave donations to support the troops deployed. Because of your generosity the Post was able to send an abundance of items that will be well used.

LCDR Mike Brady, the S3 Officer for NMCB1, gave a very interesting brief on the Battalion’s recent deployment. He talked about many of the struggles and rewards of the deployment as well as mentioned the status of other deployed groups.

Nov. 20th The Post participated in a Habitat for Humanity rehab clean up. We prepared a habitat house for reoccupancy, previously built 3 years ago. A needy family will be able to move in very early next year; a great Christmas gift. “Making a difference, one family at a time...”
