## **PENSACOLA CHAPTER NOTES:**

Associates and Friends of SAME and the Greater Pensacola CEC Wardroom:

### **1. *Our upcoming meeting:***

- Our meeting for MAY 15<sup>th</sup> was unfortunately cancelled due to a family emergency of our host. We apologize for any inconvenience this may have caused our members. We are looking to reschedule this trip later this year.

#### ***Mark your calendars,***

-June 12<sup>th</sup>, 1130 at Mustin Beach Officer's Club, Doug Shackelford will be giving a presentation on Portable Floodwalls. Col Steve Hoarn, USAF, SAME South Central Region Vice President, is scheduled to join us that day.

-September 24th, SAME Pensacola Post Golf Tournament

### **2. *Some topics of discussion during the last board meeting were:***

-Recognizing the need to inspire today's youth in the fields of mathematics and sciences, the Post Board has decided to sponsor two elementary students to the University of West Florida Engineering Camp in June.

- LTJG Justin Richardson has volunteered to be a mentor at the SAME Engineering and Construction Camp in Port Hueneme. His application has been submitted, awaiting confirmation from the Camp.

### **3. *What has SAME Pensacola been up to?***

- "The Pensacola Post of the SAME is pleased to announce that Eleni Weisnicht and Jonathon Moore are this year's scholarship winners. Eleni is a senior at Gulf Breeze High School planning to study Chemical and Biological Engineering at the University of Colorado in the fall. Jonathon is a junior at the University of West Florida majoring in Construction Technology. He is also a former Marine and Iraq War veteran. Each year the local chapter awards two \$1,000 scholarships to deserving local engineering students to further their studies. Congratulations to Eleni and Jonathon!"

-The Post is sending two representatives to the SAME Joint Engineer Training Conference at Minneapolis the week of 19 May. This conference addresses Contingency Engineering, Installation Management, Design and Construction, Water Resources and Professional Development. The Expo will include networking areas, product demonstrations and information booths on the numerous products and services that help the A/E/C community work efficiently and effectively. Our representatives will be receiving the 2007 Membership Streamer.
